DISCUSSION

POSSIBLE WALK-N-FIT TRAIL AT BRECONSHIRE

DISCUSSION: The fit trail would have 12 stations and would be ½ mile course. This would be a self-guided exercise stations. Benches, birdhouses, and prairie grass areas would be added and some screening would be installed for some of the residences. This trail would be able to be used by young and old, and novice through advanced fitness levels. The Park Board will try to do some fundraising to help offset the cost of the walk-n-fit trail. The proposed budget could be about \$20,000.00. Construction of the trail could be done by Village and hopefully some volunteers, and may still be able to get started this fall. Neal and Chris will attend the September 6, 2016 Village Board meeting to proposed the new use at Breconshire.
